ATTENTION: DARLA FOX

Dear Ms. Darla Fox

In accordance with the United Nations Basel convention, prior to importing scrap lead-acid batteries and/or lead residues into Canada from the U.S.A., pre-approval by Environment Canada is necessary, through a recycling agreement (see attached).

Please be advised that your current Recycling Agreement will expire on April 01/15 and as a result, we must re-apply.

Please be kind enough to sign the following "Recycling Agreement" and return to Tonolli Canada Ltd. by mail or fax (905) 896-3415 at the earliest possible date.

Regards,  
TONOLLI CANADA LTD.

*I. Ramadin*

This Agreement is intended to serve as a formal recycling agreement between the above parties.

(i) Description: Waste batteries, wet filled with acid

(ii) Quantity: 2,000,000 kgs or 100 T/L'S

(iii) The hazardous recyclable material will be recycled, in accordance with the Import Permit.

(iv) Operation: R4-Recovery of metals and metal compounds.

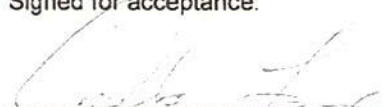

(v) This agreement authorizes the Canadian importer to complete part A of the Movement Document /Manifest on the foreign exporters behalf, and provide a copy of it and a copy of the Import Permit to the first authorized carrier prior to the shipment or if impracticable, the permit holder will provide the copies to the first authorized carrier at another location in the U.S.A. prior to the hazardous material entering Canada.

(vi) Ensure that the first authorized carrier complete part B of the movement document and provide a copy of the movement document dully filled back to the permit holder within the timeframe set out in subsection 18(3) of the EIHWHRM.

(vii) The foreign generator will take all practicable measures to assist the Canadian importer in fulfilling the terms of the importer's obligations under EIHWHRM if delivery is not accepted by the authorized facility named in the import permit, or if the authorized facility cannot, or refuses to, recycle the hazardous recyclable material in accordance with the import permit.

(viii) Within one year, after the day on which the hazardous recyclable material is accepted by Tonolli Canada Ltd., Tonolli Canada Ltd. Will recycle the material and submit written confirmation of the recycled material within 30 days of its completions.

Signed for acceptance:
